# THE BIG IDEA(S)

What's the big idea(s) behind Transformation Church? What's in a name? The following pages will outline in more detail the vision and mission of Transformation Church. But first let's get the big idea(s) behind it all:

## IDEA #1      **A Transforming God.**

All through scripture we see a God who transforms darkness into light, death to life, lost to found and old to new. He is still a transforming God.

## IDEA #2      **A Transformed Person**

The work of Jesus on the cross enables an individual to be transformed into God's kingdom. The work of the Holy Spirit transforms us from glory to glory.

## IDEA #3      **A Transforming Church**

Transformed individuals create a covenant community of believers who become a transforming church like the church of Acts.

## IDEA #4      **A Transformed City**

A transforming God transforms individuals to become a transforming church that then joins Him in the work of transformation of a people and a city.

# TRANSFORMED PEOPLE **TRANSFORM** CITIES

*"So there was **great joy in the city.**"*

*Acts 8:8*

---

# IT'S WHAT WE DO

*"When the righteous prosper, the city rejoices;  
when the wicked perish, there are shouts of joy.  
Through the blessing of the upright a city is exalted,  
but by the mouth of the wicked it is destroyed." Proverbs 11:10-11*

## LOVE OUR CITY

Extending God's heart

## BLESS OUR CITY

Extending God's words

## SERVE OUR CITY

Extending God's hands

## INVEST IN OUR CITY

Extending God's resources

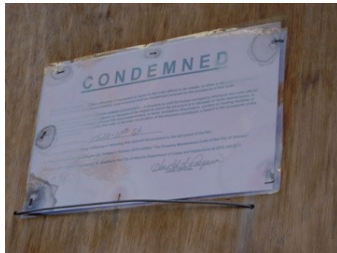

As a transformed people we are called to be a transforming church to our city. The number four in our name represents the four things we do to bring transformation to our city. Through these four actions we are an extension of God to ur city.

# TRANSFORMING A TABERNACLE

Hope Community Church and the variety of ministries that flow through it is led by Pastor John Gray. This work of transformation began in 2007 when we transformed an abandoned and condemned church building to what it is today. \$1.3 million was spent and countless man hours transformed that building. It was the catalyst of ongoing neighborhood transformation.
